Blacksburg, VA 24061

NOTES:

Limited enrollment - workshops are limited to 25 participants per workshop. Workshop spots will be assigned on a first-come, first serve basis. A waiting list will be kept for each workshop date in the event that a confirmed registrant has to cancel.

Bring work gloves and wear comfortable work clothes. Please be prepared to transport your rain barrel home (Approximate dimensions are 24" x 24" x 42").

Volunteers will be present at workshops to assist participants with rain barrel construction if needed. Physical limitations should not prohibit you from participation. If you have special needs, please contact CDAC staff and we will make every effort to accommodate you.

Workshops have been organized by the Community Design Assistance Center (CDAC), an outreach center in the College of Architecture and Urban Studies at Virginia Tech. CDAC assists communities, neighborhood groups, and non-profit organizations in improving their natural and built environments through design, planning, and research.
